

TOP SECRET

Classification: SOLDIER OF WEALTH OPS // LEVEL 001

Authorized Access Only

MISSION BRIEFING FILE: #001

Codename: KNOW YOUR ARMY

Operative: Elvonte Patton

MISSION OBJECTIVE:

All commanding officers must first assess their financial infantry and resources. Before war is waged, the general must know what assets are in play.

MISSION TASKS:

- 1. List all income sources (ranked highest to lowest)
- 2. Categorize monthly expenses (essentials vs non-essentials)
- 3. Calculate total savings and investments
- 4. Identify the biggest financial leak
- 5. Declare top 3 financial targets for the next 6 months

FIELD NOTES:

Use personal logbook or encrypted digital tool to record data. All entries must remain confidential. Accuracy of this data will determine your next set of missions. Do not underestimate this briefing.

WAR ROOM ENLISTMENT:

Recruits who complete this mission may proceed to the War Room for deeper access to classified intel, elite strategy

briefings, and Commander-only missions.
